

# State Senator Robert Meeks

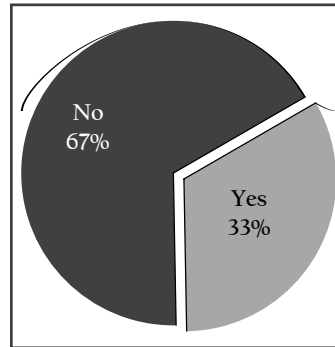

2004

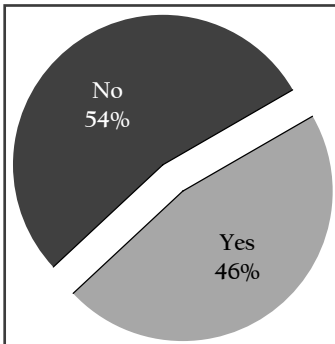

## Legislative Survey Results

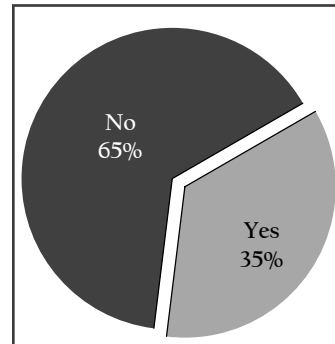

1. Do you favor efforts to curb prison overcrowding and double-digit funding increases for the Department of Correction by giving trial court judges more discretion over sentencing, rather than a mandatory sentence?

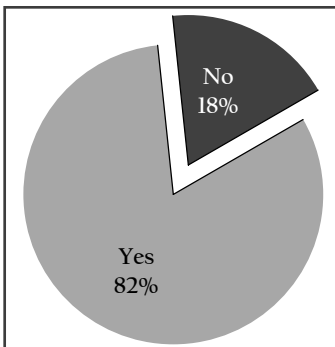

6. Do you favor legalizing electronic gambling devices (e.g., video poker) commonly found in bars?

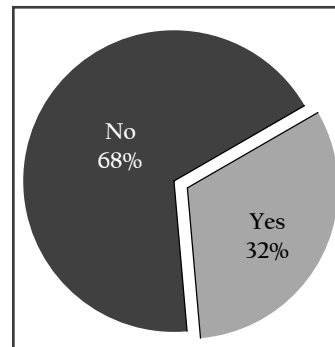

2. Should state education funding be tied to schools' achievement performance?

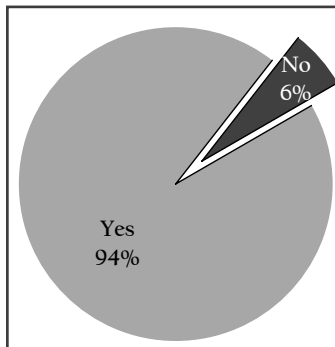

7. Indiana provides over 20 optional services (such as chiropractic care and eyeglasses) to those who qualify for Medicaid. Should Indiana reduce these optional services to help contain Medicaid costs?

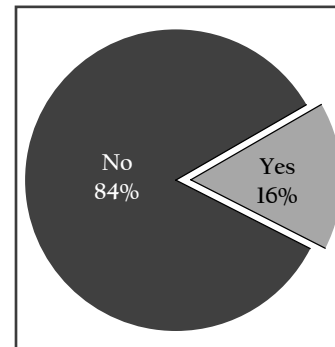

3. Should parents have the option to send their children to public schools other than the one to which the children are assigned if the parents provide transportation?

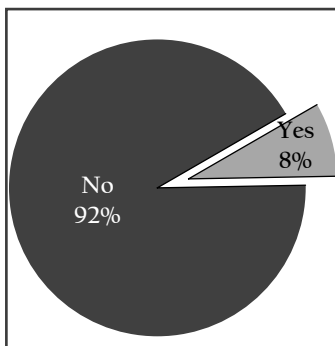

8. Do you believe your direct correspondence with your state legislators should be available to the public, including members of the media?

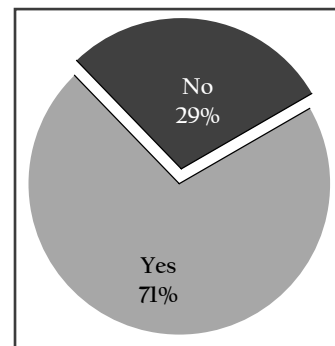

4. Do you believe voters should provide proof of identification at the polling place?

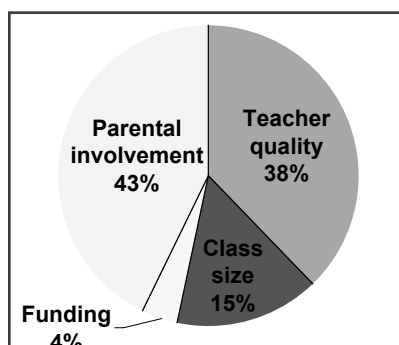

9. Should the State sales tax be expanded to cover most services as well as products?

5. Currently, the state does not allow convicted felons run for public office. Should this law be repealed?

10. Should local elected officials be required to approve any future property tax increases initiated by taxing entities such as schools and libraries?

11. In your opinion, which is the MOST important factor in improving student learning?
